Subject: New A9 input for PRP

AP chapter recommended changes from Bob Krumenaker 2016May12.docx

There were some requested changes to the attached paragraph from NPS. These were discussed on the May 11th A9 SC call and now we have the text. I'm pretty sure Patrick is fine with it and Doug was on the call and was expecting this from Bob.

I'd just spell out the use of NPS to National Park Service in the paragraph. Will leave to you to incorporate into the draft you're working with.
